October 2015 Issue 46

Dear Stitchers,

I'm finally back from 4 months of no stresses at all (as long as one doesn't listen to the news!) - Swanage is such a quiet and relaxed seaside town. Summer was a disappointment to the locals but I was quite happy as I was WARM!

I've now come back to a cold October - I can't believe it! It's Spring here only if one sits outside!

Well, I've at least managed to design a few new patterns although inspiration is sadly lacking, so Liz and I hope you will enjoy them anyway.

Roger, my brother-in-law in Swanage, has planted Sweetpeas for me every year since he found out that they are my favourite flower and the house is filled with the scent so it was inevitable that at some stage I would do a design of them - enjoy, even if they have no scent!

Christmas (as always, come October) is just around the corner and the new designs are fairly quick and certainly easy, so do relax and enjoy stitching.

As I'm now at home until May next year, mail orders are welcome once again - so do send in your thread, card and pattern orders.

Liz reports that she and Ned are expecting another great grandchild in May and they have just spent a week in Sydney with her daughter and family. She isn't able to get much card making done these days but says she's looking forward to working the new designs.

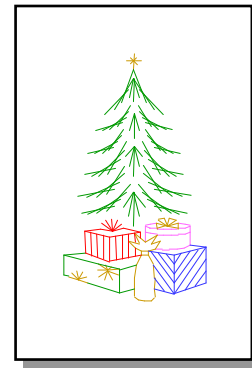

Happy Stitching from Sue in Cape Town and Liz in Albury (also still taking mail orders)
